About Me

Dedicated undergraduate student pursuing a Bachelor of Science in Information Technology, eager to apply my knowledge, skills, and passion for technology to gain valuable experience in the field and contribute to innovative projects.

Technical Skills

- Programming Languages: Python, JavaScript, PHP, SQL, C, C++
- Data Science & Analytics: Python (Pandas, NumPy), SQL
- Web Development: HTML, CSS, JavaScript, PHP
- Database Management: SQL, MySQL
- Network Configuration: Cisco routers, switches
- Operating Systems: Windows, Linux

Soft Skills

- Problem-Solving
- Critical Thinking
- Teamwork & Collaboration
- Communication Skills
- Time Management
- Adaptability & Willingness to Learn
- Attention to Detail
- Creativity & Innovation

Education

- Murang'a University of Technology Currently
Bachelor of Science in Information Technology
Expected Graduation: September 2026
- Moi Barracks High School 2017 – 2020
Kenya Certificate of Secondary Education (K.C.S.E)
Grade: C+
- Kaptich Primary School 2008-2016
Kenya Certificate of Primary Education (K.C.P.E)

Relevant Coursework

- Programming
- Data Science and Analytics
- Web Development
- Networking
- Database Management
- UI/UX Design

Projects

- Hardware Shop System Website** (HTML, React.js, CSS/Tailwind, PHP Laravel, MySQL)
 - Developed a fully functional e-commerce website for a hardware shop with a database-driven backend.
- Twitter Sentiment Analysis** (Python, NLP, Machine Learning)
 - Analyzed Twitter data to determine public sentiment trends using Natural Language Processing.
- Personalized Shopping Assistant** (Decision Support System)
 - Created an AI-powered recommendation system for personalized shopping experiences.

Trainings

- Data Science Fundamentals – Online Certification
- Web Development Bootcamp

Languages

- English (Fluent)
- Swahili (Fluent)

Intrests

- Data Science and Machine Learning
- Artificial Intelligence in Agriculture
- Web and Mobile App Development
